If the Initial Term is not specified in the Order Form, the Initial Term for a License shall be deemed to have a duration of thirty-six (36) calendar months. The Agreement may not be terminated in the interim, unless the Parties mutually agree otherwise or as otherwise set forth in the Agreement.
- 3.2. Upon expiration of the Initial Term, the Subscription Term shall automatically renew for additional successive terms of the same duration as the Initial Term ("**Renewal Term**"), unless either Party gives the other Party written notice of non-renewal at least sixty (60) calendar days prior to the beginning of the Renewal Term. Such Renewal Terms shall be under the terms and conditions of the Agreement of the Initial Term, unless Betty Blocks has provided written notice to Client of any amended terms and conditions of the Agreement and/or a pricing increase at least ninety (90) calendar days prior to the beginning of the Renewal Term. In such event, the amended terms and conditions and/or the pricing increase shall apply to the Renewal Term.

4. LICENSE GRANT

- 4.1. In consideration of the fees as specified in the Order Form and if and insofar agreed between the Parties in the Order Form, Betty Blocks grants Client a non-exclusive, non-transferable License for the use of the Platform for the duration of the Subscription Term and in accordance with the volumes (e.g., number of Users), storage capacities and/or other limitations specified in the Order Form ("**License Scope**"). The License shall become effective from the time of the conclusion of the Order Form, unless agreed otherwise. Client is not entitled to receive the source code of the Platform.

Blocks price list, which fees will be added to the monthly payable fees. Betty Blocks will notify Client if Client has exceeded or is likely to exceed the License Scope. In the event that the Order Form does not include a specific License Scope, then the use of the Platform must be fair compared to other clients of Betty Blocks of a similar size and paying similar fees.

- 4.5. The rights provided under this clause 4 are granted to Client only, and shall not be considered granted to any subsidiary or holding company of Client, unless expressly agreed otherwise.

- 5.2. In developing Deliverables, Betty Blocks has the right to use third-party software and components, including opensource software. Client is responsible for ensuring proper compliance with the relevant third-party licenses when using the Deliverables.
- 5.3. In the event Client does not comply with its obligations under the Agreement, Betty Blocks shall, without prejudice to its other rights and remedies, in any event be entitled to suspend the execution of the Agreement, or to wholly or partially dissolve the Agreement. The foregoing shall also apply in the event of late payment by Client.

- 6.3. Without the agreement of Betty Blocks, Client is prohibited from making available to third parties any user names and passwords made available by Betty Blocks. Betty Blocks is not liable for the consequences of the loss of user names and passwords.
- 6.4. Client will be responsible for the activities of anyone who Client allows to use the Platform. Client is also responsible for ensuring that its authorized Users comply with the Agreement with respect to the use of the Platform. Client shall use all reasonable endeavors to prevent any unauthorized access to, or use of, the Platform and, in the event of any such unauthorized access or use, promptly notify Betty Blocks.
- 6.5. Betty Blocks reserves the right (but has no obligation thereto), without liability or prejudice to its other rights to Client, to disable Client's and/or the authorized Users' access to the Platform if Client breaches the provisions of this clause 6.
- 6.6. Betty Blocks has a fair use policy in relation to accessing and using the Platform. For the purpose of this fair use policy, Client may not vary from the average in a disproportionate manner, having regard to the amount of CPU power, data storage and data traffic used by Client. In such an event, Betty Blocks is entitled to temporarily limit or restrict access to the Platform and/or require Client to purchase additional services, such as extra storage capacity.
- 6.7. Betty Blocks in its sole discretion may require users to accept and agree (via pop-up in the Platform or otherwise) to also comply with the obligations laid out in this clause 6. In this case such users shall interpret this clause 6 as follows: where '**Client**' is written, the word '**User**' shall be read.

7. AVAILABILITY, MAINTENANCE AND SUPPORT

- 7.1. Betty Blocks will use reasonable endeavors to realize the uninterrupted availability of its systems, network and Platform, but offers no guarantees in this regard unless otherwise agreed by means of a Service Level Agreement. However, Betty Blocks is in no case liable to compensate any damage arising in connection with such maintenance. If Betty Blocks considers that there is a danger to the functioning of its systems, network or Platform, Betty Blocks will have the right to implement all measures it considers reasonably necessary to avert or prevent this danger. Since the Platform is provided over the public internet, Client is itself responsible for acquiring appropriate internet access and suitable anti-virus protection and the like. Betty Blocks accepts no liability in this regard.
- 7.3. If Client makes use of services of third parties in connection with the Platform, such as Amazon Web Services or Microsoft Azure, Client shall make sure that Betty Blocks has access to the required accounts and settings in order for Betty Blocks to provide maintenance and support. Client acknowledges and agrees that without the foregoing access, Betty Blocks cannot provide maintenance and support.
- 7.4. Betty Blocks shall release updates to the Platform that address bugs or add new features. Betty Blocks shall make such updates available to Client as soon as practicable.
- 7.5. Betty Blocks shall provide Client with a reasonable level of information and support regarding the Platform. Such support shall be provided as a helpdesk for questions regarding the use of the Platform, reporting and resolving bugs in the Platform and/or where to find further information. Support does not include specific advice regarding Client's Applications and/or Configurations. Support also does not include building Client's Application. Betty Blocks, in its sole discretion, decides what is included with the provided support and when Client should purchase Professional Services with regards to the help Client requests.

- 8.4. In the event of any loss or damage to Client Data, Client's sole and exclusive remedy shall be for Betty Blocks to use reasonable commercial endeavors to restore the lost or damaged Client Data from the latest back-up of such Client Data maintained by Betty Blocks. The fee increase will be announced to Client thirty (30) days in advance. Client is not entitled to terminate the Agreement in relation to adjustments under this clause.
- 9.6. Betty Blocks is always authorized to require that Client provides sufficient security to ensure that it can comply with its payment obligations, for instance by requiring a bank guarantee or surety or to demand payment of a deposit. Betty Blocks will treat the Application(s) and Configuration(s) as confidential Client information and will not make them available to third parties without Client's separate permission. However, Betty Blocks cannot rule out that another client may choose a similar configuration, as this is beyond Betty Blocks' control.

However, the receiving Party shall never be liable for granting access if legally obligated.
- 11.5. The provisions of this clause shall continue to be effective after the expiration or termination of the Agreement.

12. LIMITATION OF LIABILITY

 - iii) reasonable costs to determine the cause and the extent of the direct loss and/or damage;

- iv) reasonable and demonstrable costs incurred by Client to prevent or limit the direct loss and/or damage, insofar as Client can demonstrate that such costs have resulted in limitation of the direct loss and/or damage;
 - v) reasonable and demonstrable costs for having the Agreement fulfilled by a third party, where Betty Blocks, after receiving notice from Client, fails to ensure proper performance within the reasonable term stipulated in the notice.
- 12.3. Any limitation or exclusion of liability stipulated in these Terms shall not apply in the event that the loss and/or damage is attributable to (1) willful misconduct or deliberate recklessness of Betty Blocks' management, (2) death or bodily injury, or (3) any other matter for which it is unlawful to limit or exclude liability.
- 12.4. Unless performance by Betty Blocks is permanently impossible, Betty Blocks shall only be liable due to an attributable failure in the performance of a contract if Client declares Betty Blocks to be in default in writing without delay and grants Betty Blocks a reasonable term to remedy the breach, and Betty Blocks culpably fails to fulfil its obligations also after this term has passed. The notice of default must describe the breach as comprehensively and in as much detail as possible in order to give Betty Blocks the opportunity to respond adequately.
- 12.5. Any right to claim compensation is at all times subject to the condition that Client notifies Betty Blocks of the loss and/or damage in writing within no more than thirty (30) days of its discovery.
- 12.6. Client shall indemnify, defend and hold harmless Betty Blocks and its officers, agents and employees, from and against any and all claims, damages, liabilities, losses and/or expenses (including attorneys' fees and costs) incurred by Betty Blocks and arising out of or in connection with Client's use of the Platform, the Deliverables, the Documentation and/or Client's breach of the terms and conditions of the Agreement.

- 13.3. Each Party has the right to suspend compliance with its obligations under the Agreement during the period of force majeure. If this period exceeds sixty (60) days, each Party will

have the right to terminate the Agreement without being obliged to pay compensation to the other Party.

14. STAFF

- 14.1. Client is not permitted to employ Betty Blocks employees or to allow such employees to work for Client in any other manner, either directly or indirectly, without Betty Blocks' prior permission in writing for as long as the relationship between Client and Betty Blocks continues plus one year after the relationship has ended. In this connection, Betty Blocks employees are considered to mean persons employed by Betty Blocks or by one of its affiliates, or those who were employed by Betty Blocks or by one of its affiliates within the previous twelve (12) months. If Client breaches this clause, client must indemnify Betty Blocks by providing compensation equal to an amount of one (1) year salary of said Betty Blocks' employee.

15. AMENDMENTS AND SEVERABILITY

- 15.1. Betty Blocks reserves the right to change or supplement these applicable Terms at any time. In the event Betty Blocks wishes to change these Terms, Betty Blocks shall notify Client in writing by giving 30 days' notice. During that time, Client will have the opportunity to object in writing to the changes. If Client objects to the changes, then the Parties will discuss the changes and next steps in good faith. If Client does not object to the changes within the given timeframe, then the changes will take effect and the changed or supplemented Terms will govern the Agreement. Client is not entitled to terminate the Agreement if and insofar the amendment is necessary because of (changing) legislation or if it concerns a change of minor importance.
- 15.2. If any provision, or part of a provision, of the Agreement is found by any court or authority of competent jurisdiction to be illegal, invalid or otherwise unenforceable, that provision or part-provision shall be deemed not to form part of the Agreement, and the legality, validity or enforceability of the remainder of the provisions of the Agreement shall not be affected, unless otherwise required by operation of applicable law.
- 15.3. The Parties shall use all reasonable endeavors to agree within a reasonable time upon any lawful and reasonable variations to the Agreement which may be necessary in order to achieve, to the greatest extent possible, the same commercial effect as would have been achieved by the provision, or part-provision, in question.

16. MISCELLANEOUS TERMS

- 16.1. The Agreement is governed exclusively by Dutch law.
- 16.2. Any disputes between the Parties that cannot be settled amicably will be submitted to the court of Amsterdam.

- 16.3. The version of any communication of information as recorded by Betty Blocks shall be deemed to be authentic and conclusive, unless Client supplies proof to the contrary.
- 16.4. Where the Agreement refers to “written” or “in writing”, this also includes e-mail communication provided the identity of the sender and the integrity of the content can be adequately established.
- 16.5. Client will not be authorized to transfer the Agreement and all its rights and obligations arising therefrom to a third party (including but not limited to its affiliates) without the express prior written consent of Betty Blocks. Betty Blocks will not be authorized to assign, novate or otherwise transfer the Agreement and all its rights and obligations arising therefrom without Client’s prior written consent, unless such occurs within the Betty Blocks group of undertakings or for purposes of corporate financing, provided however that Client may still access and use the Platform.

Upon expiration of the aforementioned duration, the term of the Agreement for Professional Services shall automatically renew for additional successive terms of the same duration as the initial term, unless either Party gives the other Party written notice of non-renewal at least sixty (60) calendar days prior to the beginning of such renewal. The same terms and conditions of the initial Agreement for Professional Services remain applicable, unless Betty Blocks has provided written notice to Client of any amended terms and conditions of the Agreement and/or a pricing increase at least ninety (90) calendar days prior to the renewal. Betty Blocks is in no way responsible or obliged to check the information provided by the Client.
- 18.2. Betty Blocks will use commercially reasonable efforts to ensure that the agreed upon consultant is available for Client to provide Professional Services on the agreed upon time slots. In this respect, the consultant may be unavailable at certain times due to a business activity of Betty Blocks, training or other reasons.
- 18.3. Betty Blocks is entitled to replace a consultant at any time with another consultant who has comparable knowledge and experience. Should Client be unsatisfied with the consultant of Betty Blocks, then Client may request a replacement consultant and Betty Blocks will use commercially reasonable efforts to replace the consultant. The aforementioned does not entitle Client to terminate the Agreement.
- 18.4. If the Parties have agreed on a fixed or minimum number of consultancy hours, the Client will continue to owe fees for the agreed upon hours, even if the Client (temporarily) has less work for the consultant to perform and/or even when the consultant cannot effectively perform Professional Services because of issues on Client's side (malfunctioning systems, etc.). If a consultant works on an on-call basis, Betty Blocks shall be entitled to charge for at least one working hour per call.
- 18.5. Unless otherwise agreed upon, the Client remains responsible for quality control. Client must review and test the work performed by the consultant.

19. DEVELOPMENT AND SPRINTS

- 19.1. If Parties have agreed in a Statement of Work that Betty Blocks will provide any development services, project management services and/or similar services, then (unless otherwise agreed upon) such services will be performed in Sprints. Prior to each Sprint, the Parties establish an objectively measurable Deliverable (e.g., a functionality) to be developed during the Sprint.
- 19.2. Unless otherwise agreed upon, the Parties will lay down such Deliverable and other terms of one or multiple Sprints in a Statement of Work and/or development support systems of Betty Blocks. Only the Deliverable agreed upon in writing for each Sprint falls within the scope of that Sprint. Everything else is out of scope, there are no such things as 'unreported' and/or 'implicit' wishes or results that apply for a Sprint. The same applies to general reports of meetings, lists with Client's wishes and/or other such documents. Everything in such documents is out of scope, unless Parties have agreed upon in a Statement of Work that certain specific results shall be developed in a Sprint.

- 19.3. Client acknowledges that needed development hours communicated by Betty Blocks to Client are merely estimates and the actual number of hours may differ from the estimates, unless expressly indicated to the contrary. No rights can be derived from such estimations.
- 19.4. At the end of each Sprint, Betty Blocks will share the Deliverable with the Client. Client will then test the developed functionality within 7 days in accordance with the test script provided by Betty Blocks. The result of the test is either a 'pass', meaning that the Deliverable objectively complies with what was agreed upon, or a 'fail', meaning the Deliverable objectively does not comply with what was agreed upon. Any subjective aspects of the Deliverable are never a reason for a 'fail'.
- 19.5. If the Deliverable objectively does not comply with the Statement of Work, then Betty Blocks will use its best efforts to fix this Deliverable. In other cases, e.g., when Client has subjective reasons not to agree with the result, new Sprints must be purchased by Client to develop the desired result. Additional Sprints must also be purchased when the estimated hours were not enough to develop the agreed upon Deliverable.

20. ACCEPTANCE TESTING BY CLIENT

- 20.1. The provisions of the clauses 20.2 up to and including 20.6 only apply if it has been agreed in a Statement of Work that Betty Blocks will perform Professional Services consisting of software development, and only to the extent that Parties have agreed in such Statement of Work that Client shall perform acceptance testing of core functionalities. If acceptance testing has not been agreed, Client shall accept the Deliverable in the state that it is in when delivered (on an "as is" and "as available" basis), therefore including all visible and invisible errors and defects.
- 20.2. Prior to the delivery of each Deliverable, Client will be able to test such Deliverable in a testing environment. Betty Blocks will provide Client access to this testing environment by sending a location (URL) and, if necessary, login details. Access to the testing environment is strictly tied to Client. Client is not allowed to gain third parties access to this testing environment by sending the location (URL) and/or the login details to any third party, unless expressly indicated to the contrary in the Agreement. Client is aware that the testing environment is not suitable for production purposes, in whatever form. Client is not allowed to use the testing environment for such purposes. Betty Blocks gives no guarantees regarding the availability, completeness and correct operation of the testing environment. Betty Blocks, however, is aware that the availability of the testing environment is necessary for delivery of the Deliverables. Therefore, Betty Blocks will endeavor to keep the testing environment available.
- 20.3. After the Deliverable has been tested, Betty Blocks will deliver the Deliverable when, in Betty Blocks' professional opinion, the Deliverable substantially satisfies the applicable functional or technical requirements.

- 20.4. Client must, within seven (7) days after delivery, evaluate the Deliverable and either approve or reject it. The Deliverable will be deemed accepted if:
- i) Client approves the Deliverable (in writing or digitally);
 - ii) Client commences operational use of the Deliverable, including but not limited to transferring the Deliverable to a production environment; or
 - iii) Client does not reject the Deliverable and/or has not requested a revision round within the aforesaid period.
- 20.5. If Client wholly or partly rejects the Deliverable, Betty Blocks will use commercially reasonable endeavors to remove the reasons for rejection in a timely manner. Betty Blocks can achieve this by either revising the Deliverable in a next Sprint, by refuting the reasons which form the basis of the rejection or by providing temporary solutions, such as program bypasses. Client may not refuse to accept a Deliverable because of the existence of minor errors (it being understood as errors that do not reasonably prevent the operational use of the Deliverable). Additionally, the Deliverable may not be rejected because of aspects that can only be assessed subjectively, including but not limited to aesthetic aspects of interfaces.
- 20.6. In case of a valid rejection in accordance with the previous paragraph, Betty Blocks may revise the Deliverable in an upcoming sprint and resubmit the (rejected part of the) Deliverable for acceptance. In case of such resubmission Client shall test whether the initially given reason for rejection has been resolved. If the reason for rejection has been resolved, the Deliverable is deemed to be accepted.
- 20.7. Should any Deliverable fail to satisfy the applicable functional or technical requirements after the third resubmission of such Deliverable to Client, the Parties both agree to confer to engage in good faith discussions to resolve the matter. Not satisfying the acceptance testing does, however, not entitle Client to terminate or (partially) dissolve the Agreement. Client is only entitled to terminate after Betty Blocks remains in default and solely following the expiry of a reasonable term for performing the Agreement as set out in a notice of default in writing.

21. ADDITIONAL WORK

- 21.1. In the event of Betty Blocks performing Professional Services, or providing other services at Client's request, which go beyond the scope of the agreed upon Professional Services in the relevant Statement of Work, Client shall pay for such services retrospectively on a time and materials basis at Betty Blocks' then current Professional Services rates. However, Betty Blocks will under no circumstances be obliged to comply with such a request and can require that a separate Agreement is entered into for that purpose.
- 21.2. Client accepts that the Professional Services as referred to in clause 21.1 can affect the agreed or anticipated time of completion of the Professional Services, as well as the Parties' mutual responsibilities under the Agreement. Betty Blocks may adjust any agreed timetable

or delivery schedule as reasonably necessary. The need for or occurrence of additional work during the performance of the Agreement never constitutes a reason for Client to give notice of termination or to (partially) dissolve the Agreement. To the extent a fixed price is agreed for the provision of the Professional Services, Betty Blocks will, upon request, inform Client in writing of the financial consequences of the additional work.

22. DOMAIN NAMES AND IP ADDRESSES

- 22.1. If the Professional Service consists, in full or in part, of Betty Blocks intermediating on behalf of Client for the acquisition of a domain name and/or IP address, the provisions in this clause also apply.
- 22.2. Client must pay all costs associated with the application and/or registration in accordance with the agreed rates or, in the absence of agreed rates, Betty Blocks' usual rates.
- 22.3. Application for, assignment of and the possible use of a domain name and/or IP address depend on and are subject to the applicable rules and regulations of the registration authorities concerned, including the Foundation for Internet Domain Registration in the Netherlands (Stichting Internet Domeinregistratie Nederland, SIDN) and European IP Networks (Réseaux IP Européens, RIPE). The authority concerned will decide on the assignment of any domain names and/or IP address. Betty Blocks only plays a mediatory role in the application process and cannot guarantee that any application will be accepted.
- 22.4. Client is informed exclusively of registration by the e-mail confirmation from Betty Blocks, which states that the requested domain name has been registered. An invoice for the costs of registration is not a confirmation of registration.
- 22.5. Client indemnifies Betty Blocks against any and all losses connected with (the use of) a domain name on behalf of or by Client.
- 22.6. Betty Blocks is not liable for the loss by Client of its right(s) to a domain name or for the fact that the domain name has been requested by and/or assigned to a third party in the interim, except in the case of willful misconduct or deliberate recklessness on the part of Betty Blocks' management.
- 22.7. If Betty Blocks registers a domain name on Client's behalf, Betty Blocks will honor requests from Client with respect to moving, transferring or terminating this domain name.
- 22.8. Client is obliged to observe the rules that the registration authorities set for the application for and for the assignment and use of a domain name and/or the IP address.
- 22.9. Betty Blocks is entitled to render the domain name and/or IP address inaccessible or unusable or to transfer or arrange the transfer of the domain name and/or IP address to its own name if Client remains in default in performing the Agreement, which action will however last solely for the period that Client remains in default and solely following the expiry of a reasonable term for performing the Agreement as set out in a notice of default in writing.

- 22.10. In the event of the dissolution of the Agreement owing to breach of contract on the part of Client, Betty Blocks is entitled to revoke the domain name and/or IP address.

23. SSL/TLS CERTIFICATE

- 23.1. If the Professional Service consists, in full or in part, of Betty Blocks intermediating on behalf of Client for the acquisition of one or more SSL / TLS certificates, the provisions in this clause also apply.
- 23.2. The application and allocation procedure for SSL certificates is subject to the rules and procedures of the certificate authority issuing the SSL / TLS certificate. The relevant certificate authority decides on the granting of the SSL / TLS certificate and will carry out the necessary checks for this purpose. Betty Blocks only fulfils an intermediary role in the application procedure and does not guarantee that an application will be honored.
- 23.3. The SSL / TLS certificate is valid for the agreed upon period, unless it is withdrawn prematurely. Betty Blocks and the relevant supplier can withdraw the SSL / TLS certificate immediately if:
- i) it appears that the Client has provided incorrect information for the purpose of obtaining the SSL / TLS certificate; or
 - ii) the reliability of the SSL / TLS certificate, in the opinion of Betty Blocks and/or the supplier, has been compromised.
- 23.4. Betty Blocks has the right to withdraw the SSL / TLS certificate if Client fails to fulfil its obligations under the Agreement and does not remedy this default within fourteen (14) days after notice of default.
- 23.5. Client must comply with all laws and regulations and all conditions set by the certificate authority when using the SSL / TLS certificate.
- 23.6. If the SSL / TLS certificate is withdrawn, the Client will not be entitled to a replacement SSL / TLS certificate or refund of (part of) the fees for the SSL / TLS certificate, unless the withdrawal is due to attributable failure of Betty Blocks. In such a case, Betty Blocks will supply a new SSL / TLS certificate for replacement for the remaining period of the original SSL / TLS certificate.
- 23.7. Betty Blocks may inform Client before the SSL / TLS certificate expires and will have to be renewed. However, it always remains the Client's own responsibility to timely renew SSL / TLS certificates.

24. HOSTING AND RELATED SERVICES

- 24.1. If the Professional Service consists, in full or in part, of services regarding the storage of material and/or the transfer or provision of material to third parties, such as in the case of hosting the software, e-mail services developed by Betty Blocks for Client, the provisions of this clause also apply.
- 24.2. If Betty Blocks is informed by a third party of unlawful information on its servers, Betty Blocks is entitled to remove the material or render it inaccessible.
- 24.3. Betty Blocks is authorized at all times to report any criminal acts that are discovered and will cooperate with duly authorized orders and commands. In addition, Betty Blocks is authorized to provide the name, address, IP address and other data identifying Client and/or a User to a third party who has complained that Client and/or a User has violated its rights or the provisions of the Agreement, provided that:
- i) it is sufficiently plausible that the information, on its own, is unlawful and harmful with regard to the third party;
 - ii) the third party has a genuine interest in obtaining the data;
 - iii) it is plausible that, in the specific case, there is no less far-reaching measure to obtain the data; and
 - iv) examining the interests involved entails that the third party's interest should prevail.
- 24.4. In the event the information concerns information that constitutes a criminal offence, Betty Blocks is entitled to report this information to the police. Betty Blocks may in this case submit all information on Client and the information concerned to the competent authorities and perform all other acts that these authorities request Betty Blocks to perform as part of the criminal investigation.
- 24.5. Client indemnifies Betty Blocks against all legal claims with respect to data, information, websites, etc. that have been stored by Client or its Users. In this regard, Betty Blocks is not liable for any damage or loss suffered by Client caused by any action taken by Betty Blocks following a report from a third party, even if the report turns out to be incorrect and the information is not breaching applicable law.
- 24.6. Betty Blocks may impose a maximum limit on the amount of storage space or data traffic Client may use each month within the framework of the hosting and related services. In the event this maximum is exceeded, Betty Blocks is authorized to charge an additional amount in accordance with the amounts charged for additional storage space or data traffic as specified in the Agreement. The hosting and related services may also be blocked if Betty Blocks is of the opinion that the capacity of the server/servers used by Client is disproportionate. Betty Blocks accepts no liability for the consequences of not sending, receiving, storing or modifying data if the limit for storage space, capacity or data traffic has been reached.

- 24.7. Client hereby grants Betty Blocks an unlimited license to distribute, store, forward or copy all materials supplied by Client on Betty Blocks' systems, in a manner deemed appropriate by Betty Blocks, but solely to the extent this is reasonably required for the purpose of Betty Blocks' fulfilment of the Agreement.
- 24.8. Client bears responsibility for its Users. Any damage or loss caused by a User will be recovered from Client.
- 24.9. Client itself is responsible for hardware and software that is operated at its own location or at locations outside Betty Blocks' control. Betty Blocks cannot provide any guarantee whatsoever regarding such hardware and software.

25. TRAINING

- 25.1. The provisions of this clause apply in the event Betty Blocks provides Training to or on behalf of Client.
- 25.2. The content of the Training is composed by Betty Blocks to the best of its ability and exercising reasonable skill and care. Unless otherwise agreed upon, Betty Blocks will be entirely free to determine the contents of any Training and the relevant materials it provides to Client. Unless otherwise agreed upon, any Training contents shall be deemed general information and not specific (technical) advice for Client or Client's Applications and/or Configurations.
- 25.3. Client acknowledges that the Platform is being maintained and periodically updated by Betty Blocks. Therefore, Betty Blocks shall use reasonable care to make sure that the contents of a Training are mostly in line with the latest version of the Platform. However, the contents of a Training may not be fully in alignment with the latest version of the Platform. Unless otherwise agreed upon, any (exam) certifications given out by Betty Blocks remain valid for one year.
- 25.4. Client agrees to act in a responsible manner and shall abide by the rules and regulations that govern the location where the Training is provided. Client must bring its own electronic appliances required for the Training, e.g., laptop.
- 25.5. The fees for a Training are specified in an Order Form or in an online environment of Betty Blocks. Unless otherwise agreed upon, additional costs and expenses (such as expenses for accommodation, transportation, food and/or drinks) are not included in the fee for the Training. Client acknowledges that certain Trainings (especially exams) can be purchased through an online environment of Betty Blocks. Client hereby acknowledges and agrees that any personnel of Client purchasing such Trainings are authorized by Client for such purchase and Client hereby agrees to pay Betty Blocks for such purchased Trainings.
- 25.6. Betty Blocks is authorized to exclude Client from participation in a Training if the outstanding amounts are not received by Betty Blocks before the start of the Training.
- 25.7. Client is entitled to cancel or reschedule a Training up to fourteen (14) calendar days before the (first) day of the Training. In the event of cancellation up to fourteen (14) calendar days

before the (first) day of the Training, Betty Blocks will refund the corresponding fees. If a Training takes place in a certain location, then Betty Blocks is entitled to change the location of the Training. Betty Blocks will timely inform Client of any changes.

- 25.8. Client acknowledges that the Training materials that are used and/or presented during the Training are the Intellectual Property of Betty Blocks and/or its licensors. Client agrees to respect those Intellectual Property Rights of Betty Blocks. Unless otherwise agreed upon, Client is not authorized to: (i) copy, modify, sub-license, sell, decompile, reverse engineer or distribute the Training materials; (ii) record the Training on video or audio tape or by other means; or (iii) remove any copyright or other notice of Betty Blocks and/or its licensors from the course materials.
